4. Price is for a **metal print** only. Frame and mat are not included.
5. **Mounting is highly recommended for a clean, elegant display**, unless you plan to display the metal print inside a frame or on an easel.
6. **If you choose Metal with Arcylic, you must also choose the Metal Standoff Posts.** The posts hold the print and the acrylic sheet together, and serve as a very elegant mounting solution.
7. Your satisfaction is guaranteed. If you are not happy with any print because of quality issues, simply return it in 7 days for an exchange or a full refund (minus the S/H charge).
8. The normal order processing time is 7-10 business days, plus shipping time. It may take longer if I am travelling. Please contact me first if you need to receive the print(s) by certain dates.
9. A **10 % discount** is available for ordering two prints. A **20 % discount** is available for ordering three or more prints. In addition, we will waive the S/H fee so you enjoy **free shipping**.
